My experiences have been very positive since Szmanda dental has taken over the dental practice. The dental hygienists are always wonderful and make you feel like family! Dr. Szmanda was the dentist during my last visit, he was very down to earth and wonderful! Thank you for making going to the dentist a good experience!

While the hygienist was as pleasant as ever and did a good job of cleaning my teeth, I was quite surprised to find out that the dentist had walked out of the office 15 minutes before so that I would not be getting a dental exam. My sister who had an appointment earlier in the week, said that there wasn't a dentist available at her appointment (at the same clinic) either. I don't know what protocol is for these situations but doesn't a dentist need to be present in a dental clinic?

Review for Wendy Fuhrman

My favorite hygienist, Wendy was as kind and gentle, yet thorough, as she always is. Dr. Keith is one of the best dentists I know and am so happy he is in the Marathon Szmada office. Although I only had a cleaning, I always enjoy a quick "hello" from Sonia. Dr. Keith, Wendy and Sonia are as wonderful as always. However, this trip to the dentist was not as bright, not as cheery as normal. This visit was missing someone very special...this visit was missing "Miss Krissy Sunshine" at the front desk. The office just isn't the same without her. It lacks that vibrance, that energy that only Krissy can provide. :(Krissy was the heart of the office and, although I'm happy for Krissy for pursuing other avenues and adventures, I'm incredibly sad for Szmada for losing the best receptionist/office managers they had!!! Wishing Krissy all the best the world has to offer. Thanks Dr. Keith, Wendy and Sonia for trying to keep the ship afloat without Krissy.

My visit was excellent as always. Have been a patient in Marathon since Dr Strong built this office and I have to say, if Dr Strong had to retire, the best replacement is Dr Keith Simons. Great dentist who gives options and is not just out to use up your insurance. I highly recommend Dr Keith, and the only hygienist ever is Wendy! She gives the most gentle thorough cleanings. Review for Wendy Fuhrman

I just love the Szmanda Dental Center in Marathon. The receptionist, Krissy is always so sweet and makes me feel right at home. Wendy, my favorite hygienist does such a wonderful job, I always make sure to request her for every dental cleaning. Sonia always makes sure to say hello during my visit even if I wasn't scheduled to see her, and Dr. Keith is excellent at what he does and is usually good for a laugh or two. Such a wonderful group of people! Thanks for your great service!

Review for Keith Simons

Whether visiting Szmanda Dental in Marathon for a regular teeth cleaning or for more extensive dental work, it is always a pleasant experience! From the moment you walk in the door and are greeted with the big, beautiful smile of Krissy, the receptionist, to the end of your visit and a handshake from Dr. Keith, I feel right at home. We are so blessed to have Dr. Keith, Sonia, Wendy and Krissy in the Marathon office. Thanks for making "going to the dentist" a good experience and for letting all your patients know we are "part of the family".

I couldn't be happier with the service from Szmanda in Marathon. Nice people and a clean office. Dr Keith is always kind and has a joke or two. All the girls are happy and friendly, and that is hard to find, and they do a great job of cleaning teeth. I love the new digital xrays too. No more waiting for them to be developed. Thanks guys for a job well done!

Review for Keith Simons

When I went to Dr. Keith Simons for a root canal, I was very apprehensive and didn't know what to expect. Well, he took the fear away. Dr. Keith and Sonia put me at ease and were very gentle with me. I love going to the office because I am first greeted with the beautiful smile of Krissy, the office administrator, who can brighten anyone's day! But whether going for a cleaning with Wendy or a root canal with Dr. Keith and Sonia...my experience at the dentist is always pleasant. If you are searching for a

dentist you can trust and for an office where you can feel like family, I suggest the Marathon Szmanda Dental Center for a great dental experience!

Szmanda Dental in Marathon City is a warm, welcoming and friendly office. From the moment you walk in and are greeted with a big, beautiful smile from Krissy you feel right at home. Wendy is such a gentle, sweet soul. Many people dread going to the dentist but after having your teeth cleaned by Wendy you surely won't dread going to the dentist again. She puts you right at ease and for me, it is a very relaxing experience. I would recommend Szmanda Dental to anyone. Sonia, Keith, Wendy and Krissy make a great team.
